Ken:

I hope you are doing well. Attached is a paper report filed earlier this year and also amended on 10/19/10. I am now filing another amendment dated today, 12/20/10 as follows:

Committee ID: C90011230 - however at the time (8/24/10) when the report was originally filed we did not have an ID number; therefore it is C00000000 for this report.

Amended Report - we are updating the occupation and street address for the custodian of records (city, state, zip was already provided).

It would be appreciated if this could be handled as an amendment and therefore applied to the originally filed report.

Please call me at 202-312-5344 to let me know the status. Thanks very much for your help!
